

# Client-agent linking steps

**Go to [STEP 4](#) if you have already set up access to Online services for business**

## Step 1: Set up your Digital Identity (myGovID)

Remember that myGovID is different to myGov. For instructions on setting up your myGovID, see [here](#). You'll need at least Standard identity strength to set up your business for online services

## Step 2: Link your myGovID to your ABN

You can link [here](#) if you have a Strong myGovID identity strength, and your name is listed in the ABR. You'll need to contact [ATO](#) to link your myGovID to your ABN if you do not have a Strong myGovID identity strength, or are not an individual associate listed in the ABR.

## Step 3: Authorise others to act on your behalf (optional)

You can authorise others to act on behalf of your business (for example, employees) in RAM.

## Step 4: Log in to Online services for business

Use your myGovID to log in to [Online services for business](#).

## Step 5: Nominate your authorised agent in Online services for business

From the Online services for business home page:  
> select **Profile** > then **Agent details** > select **Add** > Search for agent  
> Type "**Taxtalk Pty Ltd**" or "**67798008**" > **complete** the Declaration  
> select **Submit**  
You'll now see your agent's details listed under Agent nominations.

## Step 6: Let your agent know you have nominated them

Your agent has 7 days to action the nomination before it expires.
